Terms and Conditions

Issue Date: 01 March 2023

An agreement is made by ZERO Securities Pty Ltd ABN 61 056 617 862 AFSL 244040 (ZERO Securities Pty Ltd) and the Client on the following terms.

1. Terms

1.1. CFDs and other Transactions are issued and managed as set out in this document (as amended from time to time). The provisions in this document (as amended from time to time) are referred to as the Terms (see the definition in clause 31).

1.2. These Terms apply to ZERO Securities Pty Ltd' Retail Clients only. Terms such as “you”, “client”, or “clients”, or any derivations thereof, should be taken to refer solely to Retail Clients.

1.3. These Terms also cover the Account you have with ZERO Securities Pty Ltd to manage your Transactions.

1.4. To establish your Account, you must send or provide to ZERO Securities Pty Ltd your completed and executed Application Form and that must be accepted by ZERO Securities Pty Ltd. ZERO Securities Pty Ltd may, in its absolute discretion, accept or decline to provide any one or more Financial Products that you have selected.

1.5. ZERO Securities Pty Ltd may in its discretion allow you to have two or more Accounts from time to time. A reference in this document to “Account” is a reference to all the Accounts you have from time to time unless the context requires a different meaning. For example, all your Accounts are subject to set-off and netting in accordance with these Terms and will not be segregated from each other unless we expressly agree that in writing.

1.6. All Financial Products offered by ZERO Securities Pty Ltd are subject to the terms in this document, which includes the general terms and any Schedule which applies to particular Financial Products or services which you use from time to time (as specified in those Schedules). A reference to “terms” is a reference to the terms in this document (including the specific Schedules relevant to Financial Products or services) which are applicable to you, as amended from time to time.

1.7. If, after opening an Account, you later choose a different kind of Financial Product for Transactions or services which you have not previously dealt with or used, then the relevant Schedule (in the form applying at that time, and as later amended) for the Financial Products or services will apply to your Account from the time when ZERO Securities Pty Ltd agrees to provide the Financial Products or service to you. You should check that you have the latest version of terms including the latest Schedule applicable to the Financial Products or service later chosen by you because that will apply to your Account even if you do not have a copy of them.

1.8. ZERO Securities Pty Ltd has several discretions under these Terms (set out in this document) which can affect your Transactions or your Account. You do not have any power to direct how we exercise our discretion. When exercising our discretions, we will comply with our legal obligations as the holder of an Australian financial services license. We will have regard to our policies and to managing all risks (including financial, credit and legal risks) for ourselves and all of our clients, our obligations to our counterparties, market conditions and our reputation. We will always try to act reasonably in exercising our discretions but in doing that we are not obliged to act in your best interests. nor are we obliged to avoid or to minimize a loss in your Account. Retail clients should be aware of conditions because of ASIC's Corporations (Product Intervention Order—Contracts for Difference) Instrument 2020/986 (“the **PIO**”) in relation to contracts for difference. These changes to form part of our Terms 29th March 2021 and will continue to apply until notice is provided to you otherwise. To the extent of any inconsistency with any clause of these Terms of our PDS, the sections of the PIO prevail. The key changes are:

1. LEVERAGE RATIO LIMITS

- CFD leverage can now only be offered to retail clients to a maximum ratio of:
- 30:1 for CFDs referencing an exchange rate for a major currency pair¹ (requiring a margin of 3.33%).
- 20:1 for CFDs referencing an exchange rate for a minor currency pair, gold or a major stock market index (requiring a margin of 5%).
- 10:1 for CFDs referencing a commodity (other than gold) or a minor stock market index (requiring a margin of 10%).
- 2:1 for CFDs referencing crypto assets (requiring a margin of 50%).
- 5:1 for CFDs referencing shares or other assets (requiring a margin of 20%).

2. MARGIN CLOSE OUT PROTECTION

- CFD issuers' margin close-out arrangements have been standardized such that if a retail client's funds in their CFD trading account fall to less than 50% of the total initial margin required for all of their open CFD positions on that account, a CFD issuer must, as soon as market conditions allow, close out one or more open CFD positions held by the retail clients.

3. NEGATIVE BALANCE PROTECTION

- You are now protected against negative account balances by limiting the ability for CFD issuers to recover only those funds in a retail client's CFD trading account, whether that be funds deposited or funds subsequently paid into that trading account, or the client money account.

4. PROHIBITION ON INDUCEMENTS

- CFD issuers are now prohibited from giving or offering certain inducements to retail clients (for example, offering trading credits and rebates).

¹ Being an exchange rate for a pair of currencies that consists of any two of the following: AUD, GBP, CAD, EUR, JPY, CHF, USD.

For more information on the changes for ASIC's product intervention order you may read ASIC's media release, [click here](#).

Should the Product Intervention Order (**PIO**) be in effect at the time of issue of this PDS then these conditions will apply. For the purpose of this PDS and any of the retail client terms and conditions should any inconsistency exist between our documentation and the PIO, The PIO will take precedence.

2. Orders

2.1. You may from time to time place Orders with us to enter into Transactions. Orders are not Transactions. They are requests for Transactions. Subject to these Terms, we will execute your Orders (or will instruct third parties to execute your Orders) on your behalf or with you as principal, in accordance with your instructions.

2.2. We will use our reasonable endeavours to execute or to arrange the execution of your Orders. We will not be responsible for delays or errors in the transmission or execution of your Orders (except to the extent that responsibility cannot be excluded by law).

2.3. We may refuse to accept an Order and we may place a limit on any Order or place other conditions on the receipt of instructions or Orders, in our absolute discretion and without giving any reason or any prior notice. We may at any time use, add and change filters within a trading system which prevent delivery of Orders or execution of Orders without giving any reason or any prior notice. We will notify you of any refusal or limitation as soon as reasonably practicable, unless we are prevented by law or a direction from a regulatory authority from notifying you or we decide it is in accordance with our compliance policies and procedures not to notify you at that time or at all.

2.4. Without limiting our discretion, we may cancel or amend an Order in any of the following cases:

(a) If the Financial Product the subject of the Transaction has been subject to a trading halt on a Financial Market or other regulatory action preventing execution of your Order and you have not reconfirmed instructions;

(b) if we consider the cancellation or variation is appropriate, having regard to the desirability to maintain a fair and orderly market, our obligations as the holder of an Australian financial services license or as a participant or user of the relevant Financial Market and our other legal and regulatory obligations;

(c) if we consider the cancellation or variation is appropriate as the Order is suspected to have been placed in an attempt to, in some way, manipulate markets, profit from ZERO Securities Pty Ltd' systems or abuse regulatory requirements (see 2.14).

(d) if required by the operator of a relevant Financial Market or CS Facility or Applicable Laws to do so, in respect of your Order or any contract we propose to enter to hedge our Transactions with you in relation to your Order.

(e) if there appears to us to have been or will be an error.

2.5. We will make reasonable efforts to affect any instructions to cancel or to amend Orders as quickly as possible. If, however, an Order is filled prior to a cancellation or amendment instruction being affected, you are obliged to accept the Transaction on the original terms of it prior to your amendment or cancellation instruction; unless the Transaction itself is cancelled or amended.

2.6. We may execute Orders for you even in circumstances if we or our associates:

(a) hold a principal position or deal in the relevant Financial Products.

(b) provide similar services to other persons in relation to the relevant Financial Products.

(c) have material price sensitive information relating to the relevant Financial Products if the individuals processing your Order are prevented from knowing or considering such information (including, but not limited to, by reason of procedures and rules known as “Chinese walls”); or

(d) have a potential conflict of interest or duties including, for example, conflict of interest of which you are not aware and which we are unable to disclose to you.

2.7. Notwithstanding any rule of law or equity to the contrary, ZERO Securities Pty Ltd is not disqualified from contracting with any person and no contract, Transaction or arrangement in which ZERO Securities Pty Ltd is in any way interested is avoided or rendered voidable by virtue of your agreement with us or a Transaction. ZERO Securities Pty Ltd is not liable to account to you for any profit realized by any such contract, Transaction, or arrangement in connection with these Terms or a Transaction. ZERO Securities Pty Ltd is not required to make any disclosure to you concerning any such contract, Transaction or arrangement.

2.8. We, our related bodies corporate and our other associates may enter into Transactions with you as principal, whether in respect of Financial Products able to be traded on a Financial Market or in respect of over-the-counter Transactions such as Derivatives or Foreign Exchange related Transactions. If permitted by law and the Rules, we or an associate may take the opposite position in a Transaction with you (in addition to the Transaction with you). Your Orders may match opposite Orders of another person who is our client, and this may entitle us to receive fees or commission from both sides of the Transaction.

Similarly, if we deal as principal, then your Orders may match opposite Orders entered on our behalf as principal and you authorise us to charge you commission or a Transaction Fee in respect of the Transaction in those circumstances.

2.9. You are aware of and acknowledge the right of ZERO Securities Pty Ltd, its related bodies corporate and their respective directors and employees, either on their own account or on behalf of other clients or persons, to deal in any Transaction or take the opposite position to you in Transactions, if permitted (or, if not expressly permitted, then if not prohibited) to do so by the Corporations Act and the Rules.

2.10. If we or our related bodies corporate or any of the respective directors and employees of us or our related bodies corporate enter into Transactions with you as agent for placing your Orders with another person, whether in respect of Financial Products able to be traded on a Financial Market or in respect of over-the-counter Transactions such as Derivatives or Foreign Exchange related Transactions, we and our related bodies corporate are not liable to you for the performance or default by the other person in relation to execution, settlement or clearing of Orders, custody of your assets (including funds) or any open risks which arise in any way in relation to, directly or indirectly, the manner of processing, administering, holding or reporting those Orders, dealings, Transaction or anything else in relation to them.

2.11. You acknowledge that we do not operate any discretionary accounts and we will, unless otherwise expressly provided by these Terms, only act on your instructions (including those given by your Authorized Person).

2.12. Unless otherwise specified in this document, all Orders will remain open until either cancelled by you or purged by the trading system or the Trading Platform for the relevant Financial Market. An Order or unfilled part of an Order will be purged as determined by ZERO Securities Pty Ltd without having to notify you of that. Once an Order has partially traded, only the remaining volume can be cancelled, and you remain liable for the volume traded. We do not accept responsibility for reinstating lapsed Orders or for contacting you to seek new instructions.

2.13. If a Financial Product's security code or other identifier changes, then you are responsible for replacing all live and contingent Order codes with the new relevant security code or identifier. We will not be responsible for any live or contingent Orders with the incorrect security code or identifier.

2.14. You must not instruct us to submit an Order to enter into a Transaction which would breach or cause us or any other person to breach the Corporations Act, the Rules or any other Applicable Laws including, without limitation, any law or the Rules in relation to:

- a. market manipulation, false trading, market rigging, fictitious Transactions, wash trading or matching of Orders;
- b. insider trading;
- c. short selling;
- d. creating a disorderly market or otherwise prejudicing the integrity or efficiency of the market; or
- e. misleading or deceptive conduct.

2.15. If ZERO Securities Pty Ltd suspects you are engaging in any of the activity outlined in clause 2.14 of this agreement, ZERO Securities Pty Ltd is entitled to cancel any Orders suspected to be associated with the illegal activity. ZERO Securities Pty Ltd is not liable for any losses that may be incurred by you as a result of the cancellation of the Orders.

2.16. Your Order to ZERO Securities Pty Ltd to enter into a Transaction and the Transaction remains valid and enforceable against you, without affecting your other liability to ZERO Securities Pty Ltd, even if you (or your Authorised Person) are not authorised by your own rules (such as a corporate or trust constitution or an investment management agreement).

2.17. You agree not to make any Claim against ZERO Securities Pty Ltd for any Loss incurred or suffered by you which arises in connection with or directly or indirectly caused by an exercise of any power by the operator of a Financial Market (whether or not ZERO Securities Pty Ltd has given you a Confirmation in respect of any affected Transaction and whether or not that exercise of power was in relation to a particular contract made by ZERO Securities Pty Ltd to hedge its Transaction with you).

3.7. If the composition or calculation of an Underlying Financial Product is adjusted by its issuer, regulator or sponsor, ZERO Securities Pty Ltd will make such adjustment to the Transaction at the time determined by ZERO Securities Pty Ltd which it decides would reasonably preserve the intended economic effect of the Transaction, but without being obliged to consider your particular circumstances. ZERO Securities Pty Ltd need not give notice of the adjustment. (y) if errors have occurred in the pricing of Transactions quoted by ZERO Securities Pty Ltd to the Client, ZERO Securities Pty Ltd may choose not to be bound by such Transactions (without further liability to the Client) if ZERO Securities Pty Ltd is able to substantiate to the Client that there was a material error at the time of the Transaction;

(z) any benefit or right obtained by a clearing participant upon registration of an Exchange-Traded Derivative product with a clearing house is personal to the clearing participant and such benefit or right will not pass to the Client;

(aa) there are risks associated with using an internet-based deal execution trading system which include, but are not limited to, the failure of hardware, software, and internet connection and since ZERO Securities Pty Ltd does not control data flows, internet or power connection, routing via internet, configuration of your equipment or reliability of its connection, ZERO Securities Pty Ltd will not be responsible for communication failures, distortions or delays when trading (including processing payments)) via the internet;

(bb) reports to the Client on the execution of Confirmations by ZERO Securities Pty Ltd , and the content of such Confirmations, open position statements and monthly statements, unless otherwise objected to within 48 hours after communication to the Client, will be deemed to be conclusive proof of the accuracy of such contents and their execution in accordance with these Terms except only in the case of manifest error; and

(cc) a notice issued by an authorised officer or agent of ZERO Securities Pty Ltd stating the amount of money due and payable by the Client will be taken as conclusive evidence of notice except only in the case of manifest error.

8.2. All representations, warranties and acknowledgments given by you under this these Terms are taken to have been made at the time you complete the Application Form and are taken to have been repeated by you:

(a) each time you place an Order with us;

(b) each time you enter into a Transaction with us, or we enter into a Transaction on your behalf; and

(c) each time we do anything or refrain from doing something under these Terms or as contemplated by these Terms in connection with your Account or any Transaction.

9. ZERO Securities Pty Ltd Undertakings

9.1. ZERO Securities Pty Ltd will act honestly and exercise due care and diligence at all times in its performance of these Terms.

9.2. ZERO Securities Pty Ltd will use reasonable endeavours to execute or to arrange the execution of your Orders, on these Terms.

9.3. Apart from any warranties and representations which are imposed or implied by law and which cannot be excluded, ZERO Securities Pty Ltd makes no warranties in relation to any service or information provided or made available to you in connection with these Terms. To the full extent permitted by law, ZERO Securities Pty Ltd excludes liability for all costs, expenses, damages and Losses (including consequential loss) arising in connection with such services or information, or these Terms (including, without limitation, liability for negligence).

10. Risks of Transactions

10.1. The Client acknowledges and understands that there are risks involved in Transactions, including:

(a) the “gearing” or “leverage” involved in investing in Financial Products (especially CFDs) means that a small Initial Margin payment can potentially lead to large losses for the Client, including more than all of the Margin ever paid to ZERO Securities Pty Ltd. However, under the terms of the PIO, ZERO Securities Pty Ltd ’ recourse against you for any shortfall is limited to money ZERO Securities Pty Ltd holds both in a client money account on your behalf, or otherwise holds in relation to your CFD trading account;

(b) the geared nature of some Transactions also means that acquiring and holding them can carry greater risks than directly investing in the Underlying Financial Products which generally are not geared;

(c) a relatively small market movement can lead to a proportionately much larger movement in the value of your investment, and this can work against you as well as for you;

(d) over – the – counter Transactions such as CFDs are derivatives not made on any Exchange so might be considered to involve a greater risk than an on- exchange derivative since there is no exchange market on which to Close Out an Open Transaction – you are only able to open and close your positions with us;

(e) markets outside of Australia might involve different risks to Australian markets, so the potential for profit or loss from Transactions relating to a non- Australian market or denominated in non-Australian currency will be affected by fluctuations in foreign exchange rates;

(f) it is possible to incur a loss if, after your acquisition of an investment, exchange rates change to your detriment, even if the price of the Underlying Financial Product to which the Transaction relates remains unchanged;

(g) you may sustain a total loss of the Margin that you deposit with or pay to us to establish or maintain a position and if the market moves against you, you may be called upon to pay substantial additional Margin at short notice but if you fail to do so within the required time, your investment position may be liquidated at a loss to you, for which we are not liable. The call for additional Margin may be required as a result of obligations under the PIO, or otherwise in ZERO Securities Pty Ltd’ discretion, in order to avoid a Closing Out

(h) you will be deemed to have received a notice requiring the payment of more margin, even if you are not contactable, or actually contacted, at the telephone, mail or email address you gave us or do not receive the messages we leave for you, if the notices are delivered to your nominated contact addresses.

(i) under some trading conditions it may be difficult or impossible to liquidate a position, such as (but not limited to) at times of rapid price movement if the price rises or falls in one trading session to such an extent that trading in the underlying market is suspended or restricted;

(j) if the Client trades in denominated currencies other than Australian dollars the Client may lose money or value of the investment due to exchange rate fluctuations and that these losses may be in addition to any losses on the value of the Underlying Financial Product relevant to the Transactions;

(k) gapping, whereby a market price falls or rises without the opportunity to trade, can result in significant losses even when a stop loss has been put on because it may not be possible to transact at the nominated price if the market has gapped;

(l) under the operating rules of an Exchange, some trading disputes between Market Participants (for example errors involving traded prices that do not bear a relationship to fair market or intrinsic value) may lead to the Exchange cancelling or amending a trade and in these situations your consent is not required for the cancellation of a Transaction which relates to that Exchange action;

(m) in some circumstances Underlying Financial Products may be halted, suspended from trading or have their quotation for trading withdrawn from the Exchange and these factors will affect the value of your Transaction relating to those Underlying Financial Products;

(n) a market disruption may mean the Client is unable to trade when desired, and the Client may suffer a loss as a result, including examples of disruption include the “crash” of a computer based trading system, fire or other exchange emergency or a regulatory body could declare an undesirable situation has developed in a particular contract and suspend trading; and

(o) you may incur losses that are caused by matters outside our control for example, a regulatory authority exercising its powers during a market emergency may result in losses for the client or a regulatory authority can suspend trading (for example in an Underlying Financial Product) or alter the price at which a position is settled, which could also result in a loss to the client.

10.2. No advice or recommendation is provided by ZERO Securities Pty Ltd in relation to your Transactions unless expressly stated otherwise.

Any amount or rate or formula which is to be specified by ZERO Securities Pty Ltd may be specified by a PDS, FSG, and a supplementary disclosure document or in any other permitted way of notifying you. The amount of brokerage, Transaction Fees or other amounts payable by you to ZERO Securities Pty Ltd in respect of any Transaction will be set out in the Confirmation of that Transaction to the extent known at the time.

- (a) debit your Account (on a monthly or any other basis) or deduct from the Client Money's Trust Account and pay itself, without further reference to you:

ZERO Securities Pty Ltd is entitled to retain such commissions and benefits.

11.4. If you have been referred to us or on behalf of a broker or other third party, that broker or third party may receive benefits in the form of a commission or rebate from us.

11.5. Unless otherwise agreed, the terms of any amounts payable by you under these Terms are stated exclusive of GST. You must pay the GST on the amount charged for the supply of the service, unless that is not permitted by law. ZERO Securities Pty Ltd will when required by law and as far as practicable state in Confirmations the amounts as GST-inclusive.

11.6. The amounts of the fees, commissions and charges referred to in clause 11.1 will be as notified from time to time in writing by ZERO Securities Pty Ltd, either by way of a PDS, notification to your contact address, posting to ZERO Securities Pty Ltd ' website or as otherwise agreed with you or permitted by these Terms.

11.7 You agree that ZERO Securities Pty Ltd may:

(a) debit your Account (on a monthly or any other basis) and pay itself, without further reference to you:

(i) all administration fees, including but not limited to fees associated with returned cheques, payment processing, Short Message Service (SMS), debt collection and telephone transcript copies from your Account with ZERO Securities Pty Ltd during the full term of these Terms while you use such services; and

(ii) all fees, charges and royalties which you owe to ZERO Securities Pty Ltd.

(b) deduct from the Account the Transaction Fee or the amount of any Margin you must pay to maintain the required Margin; and

(c) withdraw from the Account any amount reimbursable in accordance with these Terms.

11.8. If:

(a) you are required to make a deduction or withholding in respect of Tax from any payment to be made; or

(b) ZERO Securities Pty Ltd is required to pay any Tax (other than income tax) in respect of any payment made in relation to these Terms at your request.

Then you:

(a) indemnify ZERO Securities Pty Ltd against the Tax; and

(b) agree to pay ZERO Securities Pty Ltd an additional amount to ensure ZERO Securities Pty Ltd receives a net amount (after payment of any Tax in respect of each additional amount) that is equal to the full amount ZERO Securities Pty Ltd would have received had a deduction or withholding or payment of Tax not been made.

11.9. You must reimburse ZERO Securities Pty Ltd for all fees (both direct and indirect) and expenses charged in connection with any Transaction (other than Tax on the income of ZERO Securities Pty Ltd) and for all costs and expenses incurred by ZERO Securities Pty Ltd in implementing these Terms and in enforcing its rights under these Terms (including its legal costs of external or internal legal advisers on a full indemnity basis).

11.10. In consideration of ZERO Securities Pty Ltd acting as your agent from time to time, ZERO Securities Pty Ltd is entitled to receive and appropriate for its own use all fees, commissions, Taxes, charges, and other benefits payable by you under these Terms (including all Transaction Fees and all adjustments payable under these Terms).

11.11. The rolling of a Transaction to a forward date (regardless of whether the existing or new position is a spot or forward position) is a new Transaction.

11.12. ZERO Securities Pty Ltd may charge a Finance Charge on an Account at any time chosen by ZERO Securities Pty Ltd, such as (without limitation):

(a) immediately at the time of entering into the Transaction.

(b) at day's end, or month's end.

(c) at a rollover of the Transaction.

(d) at end of the Transaction; or

(e) at any other time after entering the Transaction.

11.13. You remain liable to pay the Finance Charge even though:

(a) the charge may be called other things from time to time, even across different Accounts at the same time;

(b) the charge is not stated on a statement for an Account or interim Confirmation for a Transaction.

(c) the charges differ according to whether the Transaction was made offline or on-line.

(d) the charges differ according to the amount of the Account, regardless of the amount or value of the Account;

(e) different rates apply at the same time to other clients' accounts.

(f) the charge is applied at rollover but is not levied or enforced until termination of the Transaction.

(g) the Transaction is denominated in a currency other than Australian dollars; and

(h) the rates will be as determined by

ZERO Securities Pty Ltd in its absolute discretion and you might not have prior notice of the current rate.

11.14. The Finance Charge may be an amount owing by you to ZERO Securities Pty Ltd or, if applicable, by ZERO Securities Pty Ltd to you, in respect of a Transaction, and may be applied from day to day or at other times determined by ZERO Securities Pty Ltd. The rate payable by ZERO Securities Pty Ltd to you on a Finance Charge may be less than the rate for a Finance Charge payable by you to ZERO Securities Pty Ltd. The net Finance Charges payable by you to ZERO Securities Pty Ltd will take into account the accumulated Finance Charges for a Transaction and the aggregate Finance Charges for an Account.

11.15. If Foreign Exchange Transactions or CFDs in respect of Foreign Exchange are "rolled over" or "swapped", you will be charged or will be entitled to receive a Finance Charge at the daily rollover rate determined by ZERO Securities Pty Ltd. The rollover rate is the interest rate differential between the two applicable currencies.

The Finance Charge ordinarily is calculated and applied by way of being added to the Transaction amount (forward points) which will therefore vary depending on a number of factors including (but not limited to):

- a. the currency pair you are trading.
- a. the applicable interest rates in the interbank markets according to the period of the rollover that is the interest rates offered for each currency pair (paid or earned);
- b. the size of the Transaction;
- c. the standard ZERO Securities Pty Ltd fees that may apply; and
- d. other factors, all as determined by ZERO Securities Pty Ltd in its absolute discretion.

11.16. The forward points can either be:

(a) accumulated as an offset to your Account balance and will be directly debited or credited to your Account balance on settlement date; or

(b) reflected in the price at which the open contract is rolled forward, that is, it is included in the price (or rate at which the contract is rolled) and debited or credited to your Account balance on its settlement date.

11.17. You acknowledge that you are responsible for your own legal costs associated with entering these Terms and for all Taxes and expenses incurred by you in connection with these Terms, including any Transaction made under it.

11.18. All payments by you under these Terms are:

(a) to be made without any set-off by you, counterclaim or condition made by you and without you making any deduction or withholding for any Tax or any other reason unless the deduction or withholding is required by applicable law or the set-off arises by express application of these Terms; and

(b) payable in any currency that ZERO Securities Pty Ltd may require or determine.

11.19. ZERO Securities Pty Ltd may give notice to you of any change in its Transaction Fees or any rates, fees charges or other amounts payable by these Terms in any manner permitted by these Terms, including by posting to ZERO Securities Pty Ltd' website or to a Trading Platforms or platform administration service. ZERO Securities Pty Ltd is not required to give any minimum period of notice of any change or new fee, charge or change in rates.

11.20. If no minimum period is required or is not stated elsewhere in this document, notice of a change in Transaction Fees, charges or rates (including new ones) may be effective immediately ZERO Securities Pty Ltd first generally publishes the information of any variation or new item on its website or through Trading Platform or platform administration service.

11.21. If GST is payable on a taxable supply made by ZERO Securities Pty Ltd under, by reference to, or in connection with these Terms, you must also pay the amount of GST payable in respect of that taxable supply. This clause does not apply to the extent that consideration for a supply is expressly stated to you to be GST inclusive. Terms which have a defined meaning in the A New Tax System (Goods and Services Tax) Act 1999 have that meaning in this document.

11.22. You acknowledge that you are responsible for your own legal costs associated with entering into these Terms and for all Taxes and expenses incurred by you in connection with these Terms, including any Transaction made under it.

11.23. All payments by you under these Terms are:

(a) to be made without any set-off by you, counterclaim or condition made by you and without you making any deduction or withholding for any Tax or any other reason unless the deduction or withholding is required by applicable law or the set-off arises by express application of the Terms; and

(b) payable in any currency that ZERO Securities Pty Ltd may require or determine.

11.24. If:

(a) you are required to make a deduction or withholding in respect of Tax from any payment to be made; or

(b) ZERO Securities Pty Ltd is required to pay any Tax (other than income tax) in respect of any payment made in relation to these Terms at your request, then you:

(c) indemnify ZERO Securities Pty Ltd against the Tax; and

(d) agree to pay ZERO Securities Pty Ltd an additional amount to ensure ZERO Securities Pty Ltd receives a net amount (after payment of any Tax in respect of each additional amount) that is equal to the full amount ZERO Securities Pty Ltd would have received had a deduction or withholding or payment of Tax not been made.

12. Client Moneys

12.1. ZERO Securities Pty Ltd must deal with any money and property which you pay or give to, or which is otherwise received by ZERO Securities Pty Ltd in connection with financial services provided by ZERO Securities Pty Ltd, in accordance with the Applicable Laws. Accordingly, ZERO Securities Pty Ltd ensures that it pays such money into a clients' segregated account or into a Client Moneys Trust Account which complies with the requirements of the Corporations Act. You acknowledge and authorize that:

(a) your moneys and the moneys of other clients of ZERO Securities Pty Ltd may be combined and held by ZERO Securities Pty Ltd in a Client Moneys Trust Account or clients' segregated account, separate from the moneys of ZERO Securities Pty Ltd; and

(b) any money paid and credited to the Client Moneys Trust Account or clients' segregated account maintained by ZERO Securities Pty Ltd may be used by ZERO Securities Pty Ltd to meet any of the obligations which you incur under these Terms or under any contract you enter into with ZERO Securities Pty Ltd, to the extent permitted by the Corporations Act (subject to Applicable Laws and Rules). This means that ZERO Securities Pty Ltd can use these funds to pay any applicable fees, charges, amounts owed or owing by you under contracts you enter into with ZERO Securities Pty Ltd, or to make any other payment authorized by law.

12.2. If ZERO Securities Pty Ltd pays your funds to another person at your request, ZERO Securities Pty Ltd is not liable to you for the performance by the other person who receives the benefit of the payment of your funds. Without limitation, ZERO Securities Pty Ltd is not obliged to enquire into:

- a. the use of those funds by the third party;
- b. any persons to whom the third party pays all or any of these funds;
- c. the solvency of any of those persons;
- d. the compliance by any of those person with the Corporations Act, Applicable Laws and Rules;

e. whether any of those persons hold any part of these funds on any nominee, segregated account, trust or any other basis for your protection or security.

12.3. You agree that ZERO Securities Pty Ltd is entitled to all interest earned on moneys credited to a clients' segregated account or a Client Moneys Trust Account unless you and ZERO Securities Pty Ltd have otherwise agreed in writing.

12.4. The proceeds of a Transaction or other moneys to which you are entitled under these Terms and which are under the control of ZERO Securities Pty Ltd will be paid directly to you and not to any third party, unless you have otherwise instructed us to do so and we agree. You must provide relevant account details for payment instructions in respect of payments to be made by ZERO Securities Pty Ltd to you. Although ZERO Securities Pty Ltd will take reasonable steps to comply with your payment instructions, ZERO Securities Pty Ltd accepts no responsibility for any failure to comply with those instructions and, if such failure occurs, the relevant moneys will continue to be held by ZERO Securities Pty Ltd in accordance with the Corporations Act and Applicable Laws.

12.5. You authorise and direct ZERO Securities Pty Ltd to withdraw any or all monies to which you are otherwise entitled in any clients' segregated account or Client Moneys Trust Account maintained by ZERO Securities Pty Ltd to meet any liability, obligation or other Loss which you owe to ZERO Securities Pty Ltd including to pay for your Financial Products or to pay any other person you have dealt with using ZERO Securities Pty Ltd as your agent.

12.6. You acknowledge that ZERO Securities Pty Ltd is entitled to be paid from those monies to which you are otherwise entitled in any clients' segregated account or Client Moneys Trust Account maintained by ZERO Securities Pty Ltd an amount sufficient to meet any liability, obligation or other Loss which you owe to ZERO Securities Pty Ltd. You understand that under the terms of the PIO, ZERO Securities Pty Ltd' recourse against you for any shortfall is limited to money ZERO Securities Pty Ltd holds both in a client money account on your behalf, or otherwise holds in relation to your CFD trading account(s).

12.7. If you pay monies into any Client Moneys Trust Account maintained by ZERO Securities Pty Ltd in anticipation of you creating and meeting any liability, obligation or other Loss which you will owe to ZERO Securities Pty Ltd including to pay for your Financial Products (including payment for Margin) or to fund ZERO Securities Pty Ltd to pay any other person you have dealt with using ZERO Securities Pty Ltd as your agent before that liability or obligation has arisen, by these Terms and to the extent authorised by law, you authorise and direct ZERO Securities Pty Ltd to withdraw those monies to pay ZERO Securities Pty Ltd in advance of that liability arising. Your payment into the Client Moneys Trust Account will be deemed to be subject to this direction unless you tell ZERO Securities Pty Ltd otherwise. You agree that these Terms are a sufficient written direction by you for the purposes of authorising and directing ZERO Securities Pty Ltd to make the withdrawal on these Terms; subject to any other written direction you give ZERO Securities Pty Ltd from time to time.

12.8. If:

(a) you have an account with a Settlement Participant or a Clearing Participant (who is acting as your agent) provides their services in respect of Transactions whose orders were placed by ZERO Securities Pty Ltd for you; and

(b) you are entitled to monies held by or controlled by that agent; and

(c) you have a liability, obligation or other Loss which you owe to ZERO Securities Pty Ltd including to pay for your Financial Products (including payment for Margin) even if not connected with those Transactions, you authorise ZERO Securities Pty Ltd on your behalf and for ZERO Securities Pty Ltd ' own benefit to instruct or direct the agent to pay into the Client Moneys Trust Account maintained by ZERO Securities Pty Ltd up to an amount of your liability, obligation or other Loss which you owe to ZERO Securities Pty Ltd and you authorise ZERO Securities Pty Ltd to withdraw from the Client Moneys Trust Account that amount to which ZERO Securities Pty Ltd is entitled to be paid.

12.9. All currency exchange risks regarding any payment instruction or any Order or Transaction entered into or arranged for you by ZERO Securities Pty Ltd is your responsibility. Any conversion from one currency to another required to be made for performing or executing any payment instruction, Order or Transaction may be effected by ZERO Securities Pty Ltd in the manner and at the time and at the exchange rates that ZERO Securities Pty Ltd , in its absolute discretion, decides.

12.10. For the avoidance of any doubt, ZERO Securities Pty Ltd does not use Client money as:

- a. its capital, including working capital;
- b. for the purposes of meeting obligations incurred by ZERO Securities Pty Ltd other than on behalf of the client; and
- c. for the purposes of entering into or meeting obligations under transactions that ZERO Securities Pty Ltd enters into to hedge, counteract, or offset the risk to ZERO Securities Pty Ltd by entering into a transaction with a client.

12.11. In accepting these Terms and Conditions, you do not give ZERO Securities Pty Ltd any authorisation and/or direction to apply your money for any purpose referred to in clause 12.10.

12.12. Clause 12.11 prevails to the extent of any inconsistency with the rest of these Terms.

13. Margin

13.1 You agree and acknowledge each of the following:

(a) Margin refers to the amount paid or payable:

(i) to ZERO Securities Pty Ltd as it requires (being an amount equal or greater than that required by the PIO) as Initial Margin; or

(ii) as a Market Participant with whom you dealt by ZERO Securities Pty Ltd acting as your agent requires (to protect against your liabilities on Transactions) and which is credited to your Account (being an amount equal or greater than that required by the PIO). In the case of Margin required by an Exchange, the minimum amount of the Margin could be determined by the relevant Exchange but ZERO Securities Pty Ltd has an absolute discretion to set a higher amount.

(b) A Margin payment is the amount you pay ZERO Securities Pty Ltd for crediting your Account as Margin (with ZERO Securities Pty Ltd or the Market Participant with whom you dealt by ZERO Securities Pty Ltd acting as your agent). ZERO Securities Pty Ltd holds this amount in the Client Money Trust Account. The minimum

amount for Initial Margin is determined in accordance with the PIO and is typically 3.33% - 20% of the notional value of the CFD.

(c) You must maintain at least the amount of **Maintenance Margin** specified by the PIO, or otherwise (if greater), by or on behalf of ZERO Securities Pty Ltd from time to time, as required by ZERO Securities Pty Ltd or by a Market Participant, including those imposed by the requirements of trading platforms made available by ZERO Securities Pty Ltd to you, whether or not ZERO Securities Pty Ltd gives any notice to you to make those payments or you have actual notice of the required amount. Your obligation to maintain at least the required amount of Maintenance Margin is continuous. The Maintenance Margin is the minimum amount of equity that must be available in your account to maintain your open positions and avoid it or them being automatically terminated under the PIO. Maintenance Margin is fixed at 50% of the Initial Margin amounts described above. If your equity goes below the Maintenance Margin threshold, ZERO Securities Pty Ltd is required by law to close-out your positions until your equity returns to above the Maintenance Margin threshold, or until all of your open positions are closed out, whichever occurs first.

(d) You have an obligation to satisfy a Margin call (in addition to your obligation to maintain Margin) within the required time by any combination of Closing Out positions, lodging Underlying Financial Products (as required by in the ASIC Market Integrity Rules or other relevant Exchange) or making payments (or both) as accepted by ZERO Securities Pty Ltd, in its absolute discretion. The minimum amount of the Margin call could be determined by the relevant Exchange but ZERO Securities Pty Ltd has an absolute discretion to set a higher amount. The payments to be made towards satisfying a Margin call must be made, as specified by ZERO Securities Pty Ltd from time to time. Even in the event a margin call is not made, you are obligated to maintain your Maintenance Margin in accordance with the PIO.

(e) Margin calls may be made by any means of notice permitted by these Terms, including by telephone call to you or your Authorised Person or by way of the Trading Platform (even if you do not access your Account during the time the Margin call requires payment). You acknowledge that it is fundamental that you remain contactable by ZERO Securities Pty Ltd at all times by ZERO Securities Pty Ltd using the contact details you give ZERO Securities Pty Ltd from time to time and that your failure to be contactable or to receive notice of a Margin call at any contact address you give does not affect the validity of the Margin call or your obligation to satisfy it.

(f) If no other time is stipulated by ZERO Securities Pty Ltd for when you must satisfy the Margin call then you must comply within 24 hours of the Margin call being made, even if you have not received it or are actually aware of it and even if the time of making the Margin call or the time for satisfying it are outside of normal working hours of a Business Day. You acknowledge that Margin calls may be payable immediately if required by ZERO Securities Pty Ltd or the relevant Market Participant.

(g) If you fail to satisfy the Margin call (or, if your Transactions are subject to ASX Clear, to lodge Underlying Financial Products as defined in ASX Clear's Rules) by the required time, then ZERO Securities Pty Ltd may (without prejudice to any other rights or powers under these Terms) in its absolute discretion, and without creating an obligation to do so, Close Out, without notice, all or some of your Transactions, whether or not those Transactions caused the need for more Margin. To the extent that your failure to satisfy the Margin call results in there being

insufficient Maintenance Margin to comply with PIO (being 50% of the Initial Margin), ZERO Securities Pty Ltd will have to Close Out and will not be able to exercise any discretion in this regard.

(h) The time for your payment to maintain Margin and to satisfy any Margin call is of the essence.

(i) Your obligations to maintain Margin and to satisfy Margin calls arise at the time the Transaction is executed irrespective of the time any later Margin call is made.

(j) It is solely your responsibility to monitor and to satisfy all Margin and Margin call obligations, whether or not a Margin call is notified to you.

(k) A Margin payment is credited by ZERO Securities Pty Ltd to your Account at such time as determined by ZERO Securities Pty Ltd. Ordinarily it will be credited by ZERO Securities Pty Ltd to your Account as soon as practical after ZERO Securities Pty Ltd has confirmed and allocated to you ZERO Securities Pty Ltd ' receipt of your payment as cleared funds in the Client Moneys Trust Account or clients' segregated account but in any case it will be credited no later than withdrawal from that account. A Margin requirement or a Margin call for the Account generally or specifically for a Transaction issued by ZERO Securities Pty Ltd is not satisfied unless and until your payment is credited by ZERO Securities Pty Ltd to your Account.

(l) If your Account has been credited with your payment, your funds remain in the Client Moneys Trust Account or clients' segregated account. ZERO Securities Pty Ltd will only have recourse to these funds in accordance with these Terms and the Applicable Laws. This means that these funds may be used to pay Transaction Fees, Finance Charges, and to pay all other amounts owing under these Terms or as otherwise authorised by law, even if:

(i) your payment (after deduction for Transaction Fees, Finance Charges and other amounts owing) is in an amount less than or more than the amount required to satisfy a Margin call or to maintain the total amount of required Margin;

(ii) more than one Margin call is made after your payment to a Client Moneys Trust Account or clients' segregated account;

(iii) the required amount of Margin reduces after your payment to a Client Moneys Trust Account or clients' segregated account;

(iv) there is any delay between the time you make the payment to the Client Moneys Trust Account or clients' segregated account and when ZERO Securities Pty Ltd makes the withdrawal;

(v) you purport to withdraw your authority and direction but you still have at that time an obligation to ZERO Securities Pty Ltd.

(m) You understand and agree that ZERO Securities Pty Ltd may for the purposes of this clause make regular or specific withdrawals from the Client Moneys Trust Account or clients' segregated account into which your initial payment was deposited.

(n) Your Margin requirements are not limited to the amount, if any, initially paid to ZERO Securities Pty Ltd for your Account or paid to Market Participants. You are responsible to pay in cash any deficit owing to ZERO Securities Pty Ltd or the relevant Market Participant after Close Out of a Transaction and if you default in payment of such deficit, ZERO Securities Pty Ltd may pay the deficit out of the Account or realise any Financial Products held by ZERO Securities Pty Ltd (whether or not by sale on any Exchange and, if so, for whatever price and at whatever

time is chosen by ZERO Securities Pty Ltd in its discretion)

and apply the proceeds against that deficit and you are responsible for the full and prompt discharge of the deficit (which exceeds the value of the Account) by making payment in full to ZERO Securities Pty Ltd immediately that deficit arises.

13.2. ZERO Securities Pty Ltd and the Market Participants may make Margin calls more frequently than daily and you must fully and punctually comply with such calls.

13.3 ZERO Securities Pty Ltd may (without notice to you) Close Out some or all Open Transactions, at that time or any later time as ZERO Securities Pty Ltd determines (as required by the PIO, or otherwise whether in its discretion or by automatic trading platform management) if:

(h) ZERO Securities Pty Ltd may vary the limit imposed at any time in its absolute discretion.

4.3. If ZERO Securities Pty Ltd enters into a CFD Transaction with you for the acquisition of one or more CFDs: (a) ZERO Securities Pty Ltd will give you a Confirmation or statement in respect of the CFD Transaction setting out, among other things, the number of CFDs acquired and the amount or amounts which you are required to pay, or are entitled to receive, in connection with the acquisition of the CFD; and (b) you or ZERO Securities Pty Ltd (as applicable), must pay the relevant amount referred to in paragraph (a) by the time specified in the Confirmation.

4.4. If ZERO Securities Pty Ltd enters into a CFD Transaction with you for the disposal of one or more CFDs (by way of Closing Out that contract):

(a) ZERO Securities Pty Ltd will give you a Confirmation or statement in respect of the CFD Transaction setting out, among other things, the number of CFDs disposed of and the amount or amounts which you are required to pay, or are entitled to receive, in connection with the disposal of the CFD; and

(b) you or ZERO Securities Pty Ltd (as applicable) must pay the relevant amount referred to in paragraph.

(a) by the time specified in the Confirmation, subject to clause 6.1.

5. Settlement of Difference

5.1. After Close of Business on each Business Day over the term of an open CFD, ZERO Securities Pty Ltd will determine at Close of Business the Contract Value of the CFD.

5.2. If the Contract Value determined by ZERO Securities Pty Ltd in accordance with clause 5.1 above is higher than the Contract Value determined by ZERO Securities Pty Ltd in respect of the previous Close of Business, then the Short Party must pay to the Long Party the difference.

5.3. If the Contract Value determined by ZERO Securities Pty Ltd in accordance with clause 5.1 above is lower than the Contract Value determined by ZERO Securities Pty Ltd in respect of the previous Close of Business, then the Long Party must pay to the Short Party the difference.

5.4. In order to determine in accordance with these Terms the Contract Value at Close of Business on the Business Day on which the CFD is entered into, the Contract Value will be determined by ZERO Securities Pty Ltd using the Underlying Financial Product Price at which ZERO Securities Pty Ltd and you agreed to enter into the CFD.

5.5. If ZERO Securities Pty Ltd determines that the Contract Value of a CFD at Close of Business cannot be determined in accordance with clause 5.1 above for any reason, the Contract Value at Close of Business will be the value determined by ZERO Securities Pty Ltd in its sole discretion.

5.6. Without limiting this clause 5, if at any time trading on an Exchange is suspended or halted in any Underlying Financial Product, ZERO Securities Pty Ltd will, when determining the Contract Value, at its discretion consider (but is not limited to) the last traded price before the trading suspension or halt.

6. Dividend Payment and Receipt

6.1. If you are the Long Party to a CFD, and the issuer of the Reference Asset makes a cash distribution in respect of the Reference Asset (for example, a dividend in respect of a Reference Asset which is a security), ZERO Securities Pty Ltd will credit to your Account in respect of the CFD an equivalent amount (less any Taxes and costs) within a reasonable period following the date the cash distribution is paid in respect of the Reference Asset corresponding with your CFD being the amount that will be equal to the cash dividend payable to the holder of the Underlying Financial Product multiplied by the quantity on the first Business Day following the ex-dividend date for the Underlying Financial Product. ZERO Securities Pty Ltd is not obliged to pay you any amount under this clause 6.1. unless and until it receives that amount as the owner of the Reference Asset or an equivalent amount under the Hedge Contract acquired in respect of the CFD. Further, ZERO Securities Pty Ltd is not liable to pay to you any amount in excess of the amount (less any Taxes and costs) which ZERO Securities Pty Ltd itself receives either as the owner of the Reference Asset or pursuant to a Hedge Contract acquired in respect of the CFD.

6.2. If you are the Short Party to a CFD, ZERO Securities Pty Ltd will debit your (relevant) Account with an amount that will be equal to the cash dividend plus any imputation or franking credits payable to the holder of the Underlying Financial Product multiplied by the quantity on the first Business Day following the ex-dividend date for the Underlying Financial Product.

7. Closing out a CFD

7.1. At any time you may give ZERO Securities Pty Ltd by way of the Trading Platform, telephone or otherwise notice of its intention to close any CFD (whether in whole or part) by specifying the Underlying Financial Product and the quantity of CFDs that you wish to close.

7.2. Upon receipt of a Notice of intent to close a CFD, ZERO Securities Pty Ltd will use reasonable endeavours to provide a quote for the Closing Price and notify you of that quote (by telephone or otherwise). It is your obligation to notify ZERO Securities Pty Ltd as soon as possible (by telephone or otherwise) as to whether you are willing to accept the Closing Price quote. If you accept the Closing Price quoted by ZERO Securities Pty Ltd, the CFD, or relevant portion of the CFD, will be closed on the Closing Date.

7.3. If the Underlying Financial Product for the CFD is on terms that provide for its redemption, exchange or termination and you do not give notice to ZERO Securities Pty Ltd of your intention to Close out the CFD or to roll it over on terms and by the time acceptable to ZERO Securities Pty Ltd (whether or not you have any prior notice of that), you will be deemed to have given notice to ZERO Securities Pty Ltd to Close Out that CFD at the Closing Price reasonably determined by ZERO Securities Pty Ltd. In this case, ZERO Securities Pty Ltd will Close Out the CFD as at the time determined by it.

7.4. At the Close of Business on the Closing Date, if there is a difference between the Closing Value and the Contract Value of the CFD (or portion of it closed under clause 7.2) it must be accounted for in the following way:

(a) If the Closing Value is greater than the Contract Value, the Short Party must pay to the Long Party the difference; and

(b) If the Closing Value is less than the Contract Value, the Long Party must pay to the Short Party the difference.

7.5. If the issuer whose security represents the Underlying Financial Product on which all or part of a CFD is based becomes externally administered in accordance with the meaning in the Corporations Act (or equivalent legislation), the CFD will be taken to have been Closed at that time. The Closing Price of the CFD will be determined by ZERO Securities Pty Ltd who may consider a number of factors it deems appropriate including, for example, the last traded price of the Underlying Financial Product.

7.6. If the Underlying Financial Product on which the CFD is based ceases to be listed for quotation on an Exchange, or is suspended from quotation for 5 consecutive Business Days, ZERO Securities Pty Ltd may, in its absolute discretion, without limiting clause 7.7. elect to terminate the relevant CFD. If ZERO Securities Pty Ltd elects to do so then: (a) the Closing Date will be deemed to be the date which ZERO Securities Pty Ltd determines (Early Closing Date); and (b) you will be treated as having given notice under clause 7.1 on the Early Closing Date.

7.7. If ZERO Securities Pty Ltd determines that the Closing Value of a CFD cannot be calculated on or with effect on the Closing Date for any reason, the Closing Value will be the value determined by ZERO Securities Pty Ltd in its sole discretion.

7.8. Without limiting clause 7.7, if at any time trading in the Underlying Financial Product on an Exchange is suspended or halted at any time, ZERO Securities Pty Ltd will, in its absolute discretion in determining the Closing Value of a CFD, have regard to (but is not limited by) the last traded price before the suspension or halt.

7.9. All calculations made by ZERO Securities Pty Ltd in accordance with these Terms in the absence of any manifest error will be binding on you.

8. Settlement of Positions

8.1. Payments to be made to you with respect to any CFD must be made in accordance with this clause 8.

8.2. If a CFD is Closed Out in accordance with clause 7 above, or settlement for difference being made in accordance with clause 5 above: (a) ZERO Securities Pty Ltd will credit to your (relevant) Account any amount payable by ZERO Securities Pty Ltd to you; or (b) subject to clause 5, 8.3. below you must pay to ZERO Securities Pty Ltd any amount payable by you to ZERO Securities Pty Ltd in cleared funds in any such currency that ZERO Securities Pty Ltd may require immediately upon the payment request being made.

8.3. If there is any credit balance in your Account as at immediately before closing Out a Transaction, on Closing Out any amount owing by you in accordance with clause 8.2 above will be settled in whole or in part by debiting the credit balance of your Account with ZERO Securities Pty Ltd.

8.4. If you request payment of any money owed to you under this clause 8, ZERO Securities Pty Ltd will deduct the amount of the requested payment from your Account and pay you, electronically, by cheque or in any other manner as agreed. Money owed to you that has not been the subject of any payment request by you will remain in your Account until your request or dealt with under the laws relating to unclaimed moneys.

8.5. ZERO Securities Pty Ltd may offset any money owed to you under these Terms or any other agreement against any moneys owed by you under these Terms or any other agreement.

9. Adjustment Events

9.1. If the Underlying Financial Product on which a CFD is quoted is subject to an Adjustment Event or possible Adjustment Event, ZERO Securities Pty Ltd will determine the adjustment, if any, that will be made to the Contract Value of that Underlying Financial Product, the related quantity (or both) that would have placed the parties in substantially the same economic position they would have been in had the event not occurred. ZERO Securities Pty Ltd will notify you as soon as practicable of the adjustment. In the absence of any manifest error any adjustment determined will be deemed to be conclusive and binding on you.

9.2. ZERO Securities Pty Ltd may give you an opportunity to elect to participate in an adjustment to the CFD which corresponds with the Adjustment Event, but ZERO Securities Pty Ltd is not obliged to give you that opportunity, or give reasonable notice of it or make its terms correspond exactly with the Adjustment Event, nor is ZERO Securities Pty Ltd obliged to accept in part or at all any election you make to participate. Any adjustment will take effect at the time determined by ZERO Securities Pty Ltd.

9.3. If the Underlying Financial Product is subject to a take-over offer or similar event, ZERO Securities Pty Ltd may at any time prior to the closing date of the offer provide you notice of ZERO Securities Pty Ltd' intention to Close the CFD, in accordance with clause 7, with the Closing Price being the price notified to you by ZERO Securities Pty Ltd.

9.4. If at any time an Adjustment Event occurs, and it is not reasonably practicable as determined by ZERO Securities Pty Ltd in its absolute discretion to make an adjustment in accordance with

clause 9.1 above, then without limiting 9.1 above, ZERO Securities Pty Ltd may at any time after the Adjustment Event give you notice of ZERO Securities Pty Ltd' intention to Close Out the CFD. If this occurs you will be taken to have been provided with closing notice in accordance with clause 7 above, with the Closing Price being the price notified to you by ZERO Securities Pty Ltd.

9.5. References to “offer”, “take-over” and “closing date” in this Schedule 1 will have the same meaning given to them in the Corporations Act 2001.

10. Interest on Open CFD positions

10.1. Finance Charges

(a) When you are a Long Party under a CFD, ZERO Securities Pty Ltd charges you a Finance Charge by interest payments which accrue on a daily basis and are payable to ZERO Securities Pty Ltd daily by you; and

(b) when you are a Short Party under a CFD, you may be entitled to receive interest payments (which is a credit of a Finance Charge in your favour) which will accrue on a daily basis and are payable to you by ZERO Securities Pty Ltd daily, from the date the CFD is entered into until the Closing Date; and

(c) a Finance Charge may also be imposed, regardless of whether you are a Long Party or a Short Party, in accordance with the terms of the CFD disclosed to you on the Platform or a disclosure document(or both), even if the you are not aware of the actual interest rates (such as an FX CFD which is held overnight and has a Base Currency and a Terms Currency with respective ZERO Securities Pty Ltd Base Rates which, in combination, derive a Finance Charge to be debited to your Account) at the interest rate and on the terms referred to in clause 10.5 below.

10.2. Each day ZERO Securities Pty Ltd will make interest payments by debiting or crediting your Account with the interest rate differential between the Finance Charges (being the amount of interest payable by you under the Finance Charges and the amount of interest payable by ZERO Securities Pty Ltd to you as a credit of Finance Charges) or as otherwise disclosed to you (by the Platform, a disclosure document or otherwise or any combination of them). If you have insufficient free equity in your Account such that there is a net Finance Charge payable by you, under this clause you acknowledge that any such amount is a debt owed by you to ZERO Securities Pty Ltd.

10.3. When debiting or crediting amounts of interest to your Account, ZERO Securities Pty Ltd may charge or pay you interest at different rates and at rates that are different from the rates which ZERO Securities Pty Ltd is charged or is paid on equivalent borrowings from its bank or any other client or counterparty, including Hedge Counterparties.

10.4. ZERO Securities Pty Ltd will retain the difference between the amount ZERO Securities Pty Ltd may charge or pay you and the amount ZERO Securities Pty Ltd may charge or paid on equivalent or similar borrowings with its bank or counterparty.

10.5. The interest rate applicable for charging you the Finance Charge or crediting you the Finance Charge will be as determined by ZERO Securities Pty Ltd from time to time, whether or not it is actually received by you from time to time, including by a disclosure document or to the extent permitted, by email to you or posting the information on ZERO Securities Pty Ltd ' website or in the Trading Platform which is accessible by you. If the rate has not been set, the rate will be the ZERO Securities Pty Ltd Base Rate (from time to time applicable on each day) plus 3.0%.

11. Margin Requirements

11.1. This clause 11 supplements clause 13 of the main body of the Terms and only prevails over it to the extent of any inconsistency.

11.2. Prior to entering into a CFD with ZERO Securities Pty Ltd you acknowledge that ZERO Securities Pty Ltd requires you to pay cleared funds as an Initial Margin in line with the obligations set put in the PIO (as being between 3.33% and 50%) and to maintain the minimum Maintenance Margin determined by the PIO, or otherwise by ZERO Securities Pty Ltd in its discretion to determine a higher Maintenance Margin. The time at which Initial Margin is required is in the absolute discretion of ZERO Securities Pty Ltd. ZERO Securities Pty Ltd cannot permit any offset of any Initial Margin required by ZERO Securities Pty Ltd. For the avoidance of doubt, the calculation of Initial Margin and Maintenance Margin is now prescribed by the PIO, and ZERO Securities Pty Ltd has no discretion is requiring any less than that prescribed amount. Notwithstanding this, to the extent that ZERO Securities Pty Ltd requires Margin higher than that obligated by the PIO, the Margin may change at any time, including outside of trading hours and without prior notice to you.

11.3. All of your payments for Margin are held on trust for you. At the time at which your payment is credited to the Client Moneys Trust, ZERO Securities Pty Ltd will credit your Account with the payment of the Margin by applying it to the cash balance of the Account.

11.4. Subject to you meeting all required minimum Margin requirements and Margin calls, you are entitled to be paid by ZERO Securities Pty Ltd an amount equal to the Free Cash and, on being paid there will be a corresponding reduction in the balance of your Account.

11.5. You have an absolute obligation to maintain the Maintenance Margin required by PIO, even if ZERO Securities Pty Ltd also calls for more Initial Margin or Variation Margin. Your failure to maintain the required minimum Margin is automatically a Default (and so does not require any notice to you or grace period to remedy your Default).

11.6. The Initial Margin requirement applicable in respect of any CFD may be increased by ZERO Securities Pty Ltd, over and above that already obligated by the PIO, in its absolute discretion in respect of the time for payment and the amount of it. In the event of such an increase ZERO Securities Pty Ltd may require that you pay ZERO Securities Pty Ltd additional cleared funds equal to such an increase.

11.7. Without affecting your obligation to maintain the required amount of Margin, at any time in the discretion of ZERO Securities Pty Ltd you may be required by ZERO Securities Pty Ltd to pay additional Margin (Variation Margin) by paying ZERO Securities Pty Ltd cleared funds equal to the amount ZERO Securities Pty Ltd may determine in its absolute discretion.

11.8. Without affecting your obligation to maintain the required amount of Margin, if ZERO Securities Pty Ltd requires additional funds from you to pay Variation Margin (sometimes referred to as “calling for more Margin”) or making a Margin call you must pay the amount called by ZERO Securities Pty Ltd by the time required by ZERO Securities Pty Ltd, which could be immediately. If no time is specified, the time is specified for payment of a Variation Margin within 24 hours of the Margin call being made, whether or not you actually receive notice of the Margin call. Failure to pay a Variation Margin will result in you being taken to be in Default under these Terms. ZERO Securities Pty Ltd may require payment within a shorter time period (for example, without limitation, when there is Unusual Volatility). In all respects, time is of the essence for all of your payment obligations to ZERO Securities Pty Ltd.

11.9. If ZERO Securities Pty Ltd increases the required Margin or makes a call for more Margin, you acknowledge and agree that ZERO Securities Pty Ltd may refuse any request by you to enter into any further CFD positions until ZERO Securities Pty Ltd has confirmed the receipt of the payment for more Margin in the form of cleared funds.

11.10. ZERO Securities Pty Ltd does not owe you any payment from your Account in respect of any Margin amount paid to or credited to your Account with ZERO Securities Pty Ltd until all of your obligations under all Accounts between ZERO Securities Pty Ltd and you and otherwise under these Terms are satisfied in full. Until this time any net positive amount of Margin credited to your Account will not constitute a debt due by ZERO Securities Pty Ltd to you nor will you have any right to receive payment of that Margin.

11.11. Subject to you meeting all Margin requirements and all Margin calls, ZERO Securities Pty Ltd may in its discretion permit you to withdraw from your Account any excess free equity (by payment to you of cash payments and incurring a corresponding reduction in the balance of your Account).

11.12. You acknowledge that your liability with respect to maintaining Margin or to pay calls for more Margin (if any) is not limited to the amount you initially pay ZERO Securities Pty Ltd.

11.13. Any power or right exercised by ZERO Securities Pty Ltd under this clause 11, including, without limitation, the calling of Margin, will be binding upon you.

11.14. Any reference to time under this clause 11 includes weekends and public holidays.

12. Actions Following a Default

12.1. Upon or after any Default occurs, ZERO Securities Pty Ltd, without prejudice to any other rights it may have under these Terms, has the right and power in its sole absolute and unfettered discretion and without necessity to give prior or any notice to you to do any one or more of the following:

(a) in accordance with clause 13 terminate these Terms.

(b) Close Out all or any open CFD positions you may have as if you had given a closing notice to ZERO Securities Pty Ltd and had accepted the Closing Price determined by ZERO Securities Pty Ltd in accordance with clause 7;

(c) in accordance with clause 12.2 treat all or any open CFD positions as having been terminated by you;

(d) terminate any agreement or account whatever you have or may have with ZERO Securities Pty Ltd;

(e) in the event of there being insufficient funds in your Account to satisfy amounts owing to ZERO Securities Pty Ltd (including to maintain the Margin), ZERO Securities Pty Ltd may cancel, or may be required to cancel, any outstanding Orders in order to close your Account;

(f) satisfy margin obligations that you have to ZERO Securities Pty Ltd out of any property belonging to you including, money or security in ZERO Securities Pty Ltd ' custody or control including, without limitation, the Account or by selling securities lodged by you with ZERO Securities Pty Ltd or setting off obligations such that security transferred as collateral is not required to be returned but instead the value of them (as determined by ZERO Securities Pty Ltd)is applied in calculation of the set-off of obligations and to enforce any asset or security held by ZERO Securities Pty Ltd in such manner as it sees fit at your risk and expense;

(g) transfer from your other accounts or the Account, if any, such funds as may be required for that purpose to satisfy any obligation you may have to ZERO Securities Pty Ltd; and

(i) ZERO Securities Pty Ltd will calculate the amount owing by you or by ZERO Securities Pty Ltd as if you had been given a closing notice and you had accepted the Closing Price determined by ZERO Securities Pty Ltd in accordance with clause 7. ZERO Securities Pty Ltd may debit from your Account an amount equal to the amount which would have been payable by you to ZERO Securities Pty Ltd had the CFD been closed at the Closing Price. It is agreed that this amount represents a reasonable pre-estimate of the damages incurred by ZERO Securities Pty Ltd.

ZERO Securities Pty Ltd only has recourse to any amounts held across your trading accounts, client money accounts and any other property (for example, security property) you pledge to us in connection with your trading.

13. Termination of a CFD Contract

13.1. You acknowledge that ZERO Securities Pty Ltd may terminate a CFD (apart from any other right to terminate) if:

(a) the Reference Asset ceases to be able to be traded on a relevant market or is subject to a trading suspension or trading halt for a period of more than two (2) Business Days;

(b) an Adjustment Event occurs and ZERO Securities Pty Ltd determines that it is not reasonably practicable to make an adjustment to the terms of a CFD under this Schedule;

(c) the relevant Hedge Contract, or ZERO Securities Pty Ltd ' rights under the relevant Hedge Contract or in respect of the relevant Reference Asset, are Closed Out, suspended or terminated by the Hedge Counterparty (which may occur automatically under the terms of any agreement between ZERO Securities Pty Ltd and the Hedge Counterparty); or (d) ZERO Securities Pty Ltd considers, acting reasonably, that the Hedge Counterparty or issuer of the Reference Asset may not be able to

meet its obligations to ZERO Securities Pty Ltd under the terms of the Hedge Contract or Reference Asset or other contracts between ZERO Securities Pty Ltd and the issuer of the Reference Asset or the Hedge Counterparty; or

(d) you fail to maintain your Maintenance Margin for that CFD.

13.2. If ZERO Securities Pty Ltd terminates a CFD under clause 13.1 or otherwise, ZERO Securities Pty Ltd will determine a termination value, payable by ZERO Securities Pty Ltd to you or by you to ZERO Securities Pty Ltd, which ZERO Securities Pty Ltd considers appropriate, acting reasonably, and having regard to the circumstances of termination, the value (if any) of the Reference Asset and the position as between ZERO Securities Pty Ltd and the Hedge Counterparty in respect of the Hedge Contract. The termination will take effect at the time determined by ZERO Securities Pty Ltd.

Schedule 2 – Securities - Margin Facility

It is agreed as follows:

1. Loans of Securities

1.1. Reason for Lending

The Client may from time to time “lend” Securities to ZERO Securities Pty Ltd as collateral to secure the obligations of the Client to ZERO Securities Pty Ltd under other facilities and agreements made from time to time. In each case:

Terms;

(b) the making of any particular loan of Securities is subject to ZERO Securities Pty Ltd ’ consent;

(c) even though the Securities are lent to ZERO Securities Pty Ltd to support your other obligations to ZERO Securities Pty Ltd, all loans of Securities are by way of absolute transfer of all title to and interest in the Securities in accordance with these Terms (see especially clauses 3.1 and 3.4 of this Schedule 2).

Fee payable by ZERO Securities Pty Ltd will be determined on the same basis as any other finance Charge credited to the Client's Account.

1.3. Changes to a Collateral Request or Loan

If you have requested to deliver Securities as a loan under these Terms and ZERO Securities Pty Ltd (as Borrower) has accepted that request, ZERO Securities Pty Ltd may nevertheless at any time reduce the amount of Securities or entirely reject the Securities referred to in, or otherwise vary, a Collateral Request, whether before settlement of delivery of the Securities or during a loan.

2. Delivery of Securities

- d. any Equivalent Collateral redelivered pursuant to clauses 5 or 6, will pass absolutely from one Party to the other, on delivery or redelivery of the same in accordance with these Terms, free from all liens, charges, equities and encumbrances. 3.2. Distributions

(a) Distributions

Unless otherwise agreed, if Income is paid in relation to any borrowed Securities on or by reference to an Income Payment Date where those Securities are the subject of a loan under these Terms, the Borrower must, on the date of the payment of such Income, or on such other date as the Parties may from time to time agree, (Relevant Payment Date) pay and deliver a sum of money equivalent to that to the Lender, irrespective of whether the Borrower received the Income.

(b) Corporate Actions

Subject to paragraph (c) (unless otherwise agreed), if, in respect of any borrowed Securities or any Collateral, any rights relating to conversion, sub-division, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Securities or Collateral, become exercisable prior to the redelivery of Equivalent Securities or Equivalent Collateral, then the Lender or Borrower, as the case may be, may, within a reasonable time before the latest time for the exercise of the right or option, give written notice to the other Party that, on redelivery of Equivalent Securities or Equivalent Collateral, as the case may be, it wishes to receive Equivalent Securities or Equivalent Collateral in such form which will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.

The Lender has no right to direct the voting by the Borrower.

3.4. Transfer

Notwithstanding the use of expressions such as “borrow”, “lend”, “Collateral”, “redeliver” etc., which are used to reflect terminology used in the market for Transactions of the kind provided for in this document, all right title and interest in and to Securities “borrowed” or “lent” and “Collateral” which one Party transfers to the other in accordance with these Terms (Title) will pass absolutely from one Party to the other free and clear of any liens, claims, charges or encumbrances or any other interest of the Transferring Party or of any third party (other than a lien routinely imposed on all securities in a relevant clearance system) without the transferor retaining any interest or right to the transferred property, the Party obtaining such title being obliged only to redeliver Equivalent Securities or Equivalent Collateral, as the case may be. Each Transfer under these Terms must be made so as to constitute or result in a valid and legally effective transfer of the Transferring Party’s legal and beneficial title to the recipient. If, in respect of any Transaction, any distribution is made, or Income or fee is paid, other than in cash, the provisions of these Terms (other than clause 3.2(b)) apply, with necessary modifications, to the same extent as if the distribution, Income or fee had been made or paid in cash, and terms such as “pay” and “amount” must be construed accordingly.

4. Fees

4.1. Fees Payable

In respect of each loan of Securities, unless otherwise specified by ZERO Securities Pty Ltd , the Fees payable are: (a) a Fee payable by the Client to ZERO Securities Pty Ltd for the provision of any Cash Collateral paid (or credited) by ZERO Securities Pty Ltd to (or at the direction of) the Client, at the rate determined by ZERO Securities Pty Ltd from time to time and notified to the Client; (b) any charges or costs payable by the Client arising from ZERO Securities Pty Ltd reducing the securities loan with ZERO Securities Pty Ltd; and (c) any other amounts notified to the Client.

4.2 Calculation of Fees

(a) In respect of each loan of Securities, the payments referred to in clause 4.1 of this clause will accrue commencing on and inclusive of the Settlement Date and terminating on and exclusive of the Business Day upon which Equivalent Securities are redelivered, Cash Collateral is repaid or the loans terminated (including with any adjustment to the amount of Securities lent).

(b) ZERO Securities Pty Ltd may vary the amount or the manner in which the fee is calculated for the purposes of clause 4.1.

(c) Variations take effect from the time determined by ZERO Securities Pty Ltd, but may not be retrospective before the time of determination. ZERO Securities Pty Ltd must give notice of the variation. ZERO Securities Pty Ltd may give notice of the variation in any manner or combination of methods, generally or to the Client in particular, including (without limitation) by oral notice, e-mail, facsimile transmission of a letter, a message visible on the ZERO Securities Pty Ltd website, letter or note on a Transaction Confirmation or account statement. The variation takes effect regardless of how the notice is given, when it is given or whether the Client actually receives or is made aware of any form of the notice or the variation itself. Variations referred to in this clause do not include variations to the rate of interest payable by the Client. ZERO Securities Pty Ltd may vary such rates from time to time without prior notice to the Client.

4.3 Consideration

The Client and ZERO Securities Pty Ltd acknowledge that the making of these Terms and of Transactions from time to time is sufficient consideration by both Parties for all Transactions without the need for any Cash Collateral or other Collateral to be provided by ZERO Securities Pty Ltd to the Client for any particular Transaction nor for any Fee to be payable by the Client to ZERO Securities Pty Ltd for any particular Transaction.

5. Cash Collateral to Client

5.1. Margining

The Securities lent by the Client to ZERO Securities Pty Ltd, and any Cash Collateral provided by ZERO Securities Pty Ltd to the Client, is subject to margining as calculated for the purposes of the Client's Account with ZERO Securities Pty Ltd and not discretely for each loan of Securities. Accordingly:

(a) ZERO Securities Pty Ltd may from time to time allocate values to the Securities in respect of all loans outstanding under these Terms from day to day and may change those values at any time, including any number of times throughout any day and including giving a zero or other percentage allocation of a market value;

(b) ZERO Securities Pty Ltd may adjust the corresponding amount of any credit for Cash Collateral provided by ZERO Securities Pty Ltd to the Client and any Fees accrued in respect of that Cash Collateral;

(c) your default in performing any of its obligations to ZERO Securities Pty Ltd under the Terms in this Schedule 2 will constitute a Default under these Terms (without having to be specified in the general terms).

5.2. Time for repayment of Cash Collateral

If any Cash Collateral has been paid to you or otherwise credited to the Account of the Client, the Client owes and must pay ZERO Securities Pty Ltd Equivalent Collateral in the amount of the Cash Collateral plus any Fees on the earlier of: (a) within one Business Day after demand by ZERO Securities Pty Ltd; (b) when Equivalent Securities are to be delivered to the Client (unless ZERO Securities Pty Ltd otherwise permits); (c) immediately when an Event of Default occurs, unless and to the extent any amount to be paid to ZERO Securities Pty Ltd is subject to a set-off in accordance with clause 7.

5.3. Client's permitted use of Cash Collateral

The Client may only use Cash Collateral for investment or business purposes and only in connection with the Account and not for any personal or domestic use.

5.4. ZERO Securities Pty Ltd may set off obligation to return Equivalent Securities

If the Client fails to comply with its obligation to deliver Equivalent Collateral (that is, repay Cash Collateral) or to accept delivery of Equivalent Securities, the obligations of ZERO Securities Pty Ltd are subject to a set-off in accordance with clause 7.

5.5. Collateral provided to ZERO Securities Pty Ltd ' Nominee

Without limiting clause 21.4, if Securities are provided to ZERO Securities Pty Ltd ' nominee, any obligation under these Terms to repay or redeliver or otherwise account for Equivalent Securities will be an obligation of ZERO Securities Pty Ltd , notwithstanding that any such repayment or redelivery may be effected in any particular case by the nominee.

5.6. Suspended Securities

This clause applies if:

(a) dealings in any borrowed Securities are suspended from trading by the stock exchange on which the Securities were quoted at the time of delivery under these Terms, whether by reason of the adverse position of the issuer or otherwise; or (b) for any other reason concerning the issuer of those Securities (such as the liquidation, provisional liquidation, administration or receivership of the issuer, or the Securities ceasing to be listed for trading on

the stock exchange on which they were listed at the time of delivery under these Terms), or concerning the exchange or clear house through which they are traded, one Party is unable to transfer title to those Securities or Equivalent Securities to the other Party.

At any time while a situation described above prevails in relation to particular borrowed or Collateral Securities (Suspended Securities), either the Lender or the Borrower may give notice (Suspension Notice) to the other, in which the following applies. If a Suspension Notice is given, the Borrower and the Lender must promptly enter into negotiations in good faith with a view to agreeing promptly the market value of the Suspended Securities for the purposes of this clause. Neither the Borrower nor the Lender may unreasonably withhold or delay its agreement to a market value reasonably proposed by the other Party. Any market value agreed under this clause applies to the Suspended Securities notwithstanding the definition of Value in clause 22.

6. Redelivery of Equivalent Securities

6.1. Borrower's obligation to redeliver Equivalent Securities

(a) The Borrower undertakes to redeliver Equivalent Securities in accordance with these Terms and the terms of the relevant Collateral Request.

(b) Unless otherwise specified, a loan of Securities will not be for more than 12 months but will be automatically rolled over by being terminated and succeeded by a new loan on identical terms except for the period of the loan.

6.2. Lender may call for early redelivery of Equivalent Securities in limited cases

Subject to clause 7 and the terms of the relevant Collateral Request, the Lender may call for the redelivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the Standard Settlement Time for such Equivalent Securities or the equivalent time on the exchange or in the clearing organisation through which the relevant borrowed Securities were originally delivered. The Borrower must redeliver such Equivalent Securities not later than the expiry of such notice in accordance with the Lender's instructions unless ZERO Securities Pty Ltd determines that by complying with such a request from the Client it is reasonably likely that there would be a breach of your obligations to ZERO Securities Pty Ltd under any the Terms or any other agreement, including an obligation of the Client to maintain minimum required Margin or other collateral with ZERO Securities Pty Ltd.

6.3. Lender may terminate loan if Borrower defaults

If the Borrower does not redeliver Equivalent Securities in accordance with such call (and ZERO Securities Pty Ltd has not made any determination that redelivery of such Equivalent Securities would be reasonably likely to cause a breach by the Client of any of its obligations to ZERO Securities Pty Ltd), the

Lender may elect to continue the loan of Securities. If the Lender does not elect to continue the loan, the Lender may by written notice to the Borrower elect to terminate the relevant loan. If the notice of termination does not specify the time of termination then it will take effect immediately from the time of dispatch of that notice by the Lender. Upon the time for effect of the termination, the provisions of clause 7 apply as if at that time an Event of Default had occurred in relation to the Borrower (who will be the Defaulting Party for the purposes of these Terms) and as if the relevant loan were the only loan outstanding.

6.4. Right of Borrower to terminate loan early

Subject to the terms of the relevant Collateral Request, the Borrower may at any time terminate a particular loan of Securities and redeliver all and any Equivalent Securities due and outstanding to the Lender in accordance with the Lender's instructions for delivery, even if that would cause the Client, as Lender, to breach any Margin or other collateral obligation of the Client to ZERO Securities Pty Ltd, however arising. If the Client has not given any proper instructions for taking delivery of the Securities, ZERO Securities Pty Ltd may hold the Securities by itself or through a nominee, in either case as bare nominee for the Client.

7. Set-off

7.1. Requirement for simultaneous delivery

(a) Automatic Netting of obligations

Unless the Parties have otherwise agreed, if a Party (first Party) would, but for this paragraph, be required to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral in circumstances where the other Party (second Party) would, but for this paragraph, also be required to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral under paragraph (a), then the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the first Party (X) will be set-off against the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the second Party (Y) and the only obligation of the Parties under paragraph (a) will be, if X exceeds Y, an obligation of the first Party, or if Y exceeds X, an obligation of the second Party, (on demand) to repay Cash Collateral, redeliver Equivalent Collateral or deliver further Collateral having a Value equal to the difference between X and Y.

(b) Simultaneous Settlement

Subject to paragraph (a), on the date and time that Equivalent Securities are required to be redelivered by the Borrower in accordance with the provisions of these Terms, unless otherwise agreed by the Borrower, the Lender must simultaneously pay any Cash Collateral (in respect of the Equivalent Securities to be redelivered) to the Borrower. Neither Party is obliged to make delivery (or to make a payment as the case may be) to the other unless it is

satisfied that the other Party will make such delivery (or make an appropriate payment as the case may be) to it simultaneously. If it is not so satisfied (whether because an Event of Default has occurred in respect of the other Party or otherwise), it will notify the other Party and, unless that other Party has made arrangements which are sufficient to assure full delivery (or the appropriate payment as the case may be) to the notifying Party, the notifying Party (provided it is itself in a position, and willing, to perform its own obligations) may withhold delivery (or payment, as the case may be) to the other Party

7.2. Settlement of Payments owing by Client during Loans

On the date and time for payment by either Party of any amount required by these Terms, including repayments by the Client of Cash Collateral or by ZERO Securities Pty Ltd (as Borrower) in respect of cash distributions, ZERO Securities Pty Ltd may, unless otherwise agreed or expressly instructed in writing, at its election without prior notice to the Client do any one of or combination of the following:

(a) immediately set-off all or part of your payment obligation against ZERO Securities Pty Ltd' obligation in respect of Equivalent Securities to be delivered to the Client or cash to be paid, thereby immediately reducing the number of Securities lent to ZERO Securities Pty Ltd;

(b) Immediately deduct an amount equal to all or part of your payment obligation standing to the credit of your Account with ZERO Securities Pty Ltd;

(c) immediately withdraw an amount equal to all or part of your payment obligation from any account nominated by the Client under any valid authority for direct debiting from such accounts held by third parties; and

(a) the Relevant Value of the Securities to be delivered (or payment to be made, as the case may be) by each Party will be established in accordance with clause 7.4; and

(b) on the basis of the Relevant Values so established, an account will be taken (as at the Performance Date) of what is due from each Party to the other and (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Collateral or any cash payment equals the Relevant Value of them) the sums due from one Party will be set-off against the sums due from the other and only the balance of the accounting for those amounts will be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance will be payable on the Performance Date.

7.4 Relevant Value

For the purposes of this clause, the Relevant Value:

(a) of any cash payment obligation must equal its face value (disregarding any amount taken into account under (b) below);

(b) of any Securities to be delivered to a Party will be the value as calculated by ZERO Securities Pty Ltd as at the relevant time on the Performance Date, or, if the relevant Event of Default occurs outside the normal business hours of such market, on the first Business Day following the Performance Date (Default Valuation Time), having regard to the allocated percentage of the market value as determined by ZERO Securities Pty Ltd and taking into account all reasonable costs, fees and expenses that would be incurred (directly or indirectly) in connection with ZERO Securities Pty Ltd terminating the Transaction and whether the Securities would be likely to have any reasonable value (if trading in them is suspended or halted). For the avoidance of doubt, ZERO Securities Pty Ltd may determine that the Securities have no value even if the last reported sale price for them indicates a reported value.

7.5. Master Netting

Despite any other Term of this Schedule or elsewhere, the net payment obligation which arises under the other provisions of this Schedule 2 must first be applied in setting off against amounts standing to the credit or debit of the Account, so that the Balance will be increased or decreased by application for that netted obligation's amount, unless ZERO Securities Pty Ltd in its discretion waives that to some or all of the extent of that amount. - d. the failure of the Lender to receive a Franked Distribution is not due to any unreasonable act or omission by or on behalf of the Lender; and
